Qt 5.12.8 安装程序
许可协议
请阅读以下许可协议。 您必须接受这些协议中的条款才能继续安装。
Qt Installer LGPL License Agreement
GPLv3 with Qt Company GPL Exception License Agreement
Python Software Foundation License Version 2
GENERAL
Qt is available under a commercial license with various pricing models and packages that meet a variety of needs. Commercial Qt license keeps your code proprietary where only you can control and monetize on your end product' s development, user experience and distribution. You also get great perks like additional functionality, productivity enhancing tools, world-class support and a close strategic relationship with The Qt Company to make sure your product and development goals are met.
Qt has been created under the belief of open development and providing freedom and choice to developers. To support that, The Qt Company also licenses Qt under open source licenses, where most of the functionality is available under LGPLv3. It should be noted that the tools as well as some add-on components are available only under GPLv3. In order to preserve the true meaning of open development and uphold the spirit of free software, it is imperative that the rules and regulations of open source licenses are followed. If you use Qt under open-source licenses, you need to make sure that you comply with all the licenses of the components you use.
Qt also contains some 3rd party components that are available under different open-source licenses. Please refer to the documentation for more details on 3rd party licenses used in Qt.
GPLv3 and LGPLv3
GNU LESSER GENERAL PUBLIC LICENSE
The Qt Toolkit is Copyright (C) 2017 The Qt Company Ltd.
Contact: https://www.qt.io/licensing
You may use, distribute and copy the Qt GUI Toolkit under the terms of GNU Lesser General Public License version 3, which supplements GNU General Public License Version 3. Both of the licenses are displayed below.
GNU GENERAL PUBLIC LICENSE
Version 3, 29 June 2007
I have read and agree to the terms contained in the license agreements.
I do not accept the terms and conditions of the above license agreements.
